

Exhibitor Instructions for LAP September 22-23, 2017 Quilt Show

The LAP Quilt Show is coming and it will be here quicker than we might think. Here are the early instructions, so you can prepare the beautiful items for display.

An inventory sheet is attached with instructions. All inventory sheets must be received by September 19, 2017 (the Guild meeting right before the Show). Keep a copy for yourself and send a copy to: LAP PO Box 261 Los Alamos, NM 87544. Attn: Donna Smith. You may also email a Word or PDF to Donna at quilter@glenda.com

Tag each item that will be displayed and list it on the inventory sheet below. The Inventory Number is your initials followed by a two digit number, eg DMS01, DMS02...A tag should be attached to each piece in the lower right front corner. If the item is for sale include the contact information on the tag.

View Choice voting will be on all items in the show, not by category this year. In addition,

Dropoff for show items will begin at 2pm on Thursday, September 21. All items must be at the show no later than 4pm.

Pickup will begin at 4 pm on Saturday, September 23 – as quickly as items can be pulled from the show. Items will be verified against the inventory and must be signed for.

Exhibited items may be for sale – mark the tag and note how a buyer can contact you. Items exhibited may not be removed from the Show until the end of the Show.

If you have a vendor booth, do not use the attached inventory sheet for items in your booth.

Display List for LAP September 22 – 23, 2017 Quilt Show

All inventory sheets must be received by September 19, 2017. Keep a copy for yourself and send a copy to: LAP PO Box 261 Los Alamos, NM 87544. Attn: Donna Smith. You may also email a Word or PDF to Donna at quilter@glenda.com

Tag each item that will be displayed and list it on the inventory sheet below. The Inventory Number is your initials followed by a two digit number, eg DMS01, DMS02...A tag should be attached to each quilt in the lower right front corner. If the item is for sale include the contact information on the tag.
