## April Guild Meeting

Apr. 28, 7 p.m. at United Church (LA)

Guest speaker: Charlotte Angotti

“Why aren't you making more quilts? I know you have the fabric!”

She will show quilts not slides. She says the quilts can be touched and they can be photographed. She also says questions are welcomed during the lecture. In a slight change of plans, Charlotte will not be doing a workshop. The lecture will be her only appearance in Los Alamos. We will have refreshments at the meeting. This would be an excellent meeting to bring a guest. Guests can attend two guild meetings before they are

asked to join. Share your love of quilting and bring a friend to the meeting with you.

## Quilt show update from Judy:

**Stars of Enchantment Quilt Show will be held on Friday, Oct. 2 and Saturday, Oct. 3, 2009 at Los Alamos Baptist Church. Admission is free on Friday and \$2 on Saturday. LAP members' Family Night will be on Friday from 6:30-- 8:00pm. Refreshments will be served.**

Donation Quilt top is ready. The back is in progress. How about Wednesday, April 29? Let's have a "sew-in" to finish up.

Thank you to all of you who made a block and came to the "sew-in". I think you are going to love this quilt. We will show the quilt top at the Arts and Crafts Fair on Saturday. A sign-up sheet will be posted at the next

meeting.

***Here's a picture of the donation quilt progress after the March 28th session!! As you can see, it is still in 3 sections and no borders. One more workshop and it should be ready for quilting.***

Speaking of sign-up we still need a coordinator for ticket sales. This involves getting the quilt scheduled for viewing locally, Santa Fe, and Albuquerque, and County Fair time. Quilters always help, we just need a facilitator. Thank you very much. Tickets are ready.

Pandy has arranged to have the Hoffman Challenge, The Peacock Collection, at the show. I believe this is the 2007 challenge.

Don't forget we need both door prizes and silent auction items. Save your books, magazines and patterns for the "green" table. This is a give-away table.

There will be a meeting of the quilt show committee at Pandy's Quilt Shop on Thursday, May 7 at 6:30pm. All committee chairmen and any interested folk please try to attend. We need to make sure everyone is comfortable with what they are doing.

Oh, yes!! We also need your quilt at the quilt show, soooooo keep a-quilting. Judy Verzino

## Future meetings:

May 26th meeting is at the White Rock Baptist Church. The programs will be a "4 corners demonstration". 4 different 15 minute demonstrations will be done and you will rotate through the four so everyone has a chance to see each in a small group. The four planned demonstrations are sashiko stitching, how to use paint sticks on fabric, yo-yo making with a yo-yo maker, and Electric Quilt 6.

June 23rd we will have Michael Meyer of Santa Fe as our guest speaker and teacher. Her lecture is titled "Out of the Matrix". Her workshop is also "Out of the Matrix" and covers fabric inlay, appliqué and assemblage techniques. Her work will be hanging in the Mesa Public Library in Los Alamos in June with an opening set for Saturday June 6th

from 2-4 pm. You can sign up for her workshop at the April and May meetings or by mail.

### Vice-President update:

Since no one has stepped forward to assume either the first or second vice president offices, a solution has been proposed. We need someone to volunteer to plan and host ONE (yes, only ONE) meeting. Pandy has graciously taken care of the next three months (April, May and June) and we don't meet in July, so we need someone to host August, September is the annual potluck. And we would need programs for the rest of '09 as well. Please consider helping out—the past vice presidents can give ideas and long-time members can share what their favorite programs have been. You have a couple of months to throw some ideas around...get a friend and jump in!!! We need you! Please talk to Shelly and let her know what month you will be planning. You can be the "VICE-PRESIDENT OF THE MONTH!!!"
