From the President:

THANK YOU, THANK YOU, THANK YOU!!!

The house and people block that you all made are wonderful! I am really touched by your generosity and creativity! I am looking forward to designing several projects with all the wonderful blocks. Thank you all for this gift!

Our 2016 Quilt Market was a smashing success! What an amazing array of quilts and fiber arts being created in our little town! I hope you got some early Christmas shopping done.

Looking forward to 2017, we are still looking for a new person to take over as President, a second Vice President, and someone to chair the 2017 Quilt Show. Many thanks to all those who are continuing in their positions, or have already volunteered to serve next year! Please thoughtfully consider where you can help.

Happy Fall Quilting!

Laura

OFFICER REPORTS

Vice President's Report - Sharon Kapple

The October meeting will be a sew-a-thon to assemble community service quilt tops. We will need, sewing machines with neutral colored thread, cutting mats, rotary cutters, rulers, irons and ironing boards. The Tuesday cluster has made up bundles of pre-cut fabric from the guild's stash for you to assemble. So there is no need to bring any fabric. I believe we have enough bundles to keep the sewers, cutters and irons busy for a couple of hours. However, feel free to bring fabric if you wish. The quilt pattern we will be assembling calls for 1 yd of a printed fabric sub cut into 14 - 2 1/2 inch strips, and 3 yards of a coordinating fabric sub-cut into 14 - 2 1/2 inch strips and 7 - 8 1/2 inch strips.

Hope to see you at the meeting.

Treasurer's Report - Donna Smith

Checking Account Balance on October 1, 2016 as \$28,753.34. No members have cashed checks for their market proceeds.

Community Service – Flo Carr

The quilt drive for Fort McMurray is still on-going. They're happy to receive both quilt tops and finished quilts. I will be mailing some quilts this week, and will be happy to keep sending them as long as we have quilts designated for them.

A big thanks to those who donated quilts for Community Service following the Quilt Market in September!

When donating quilts, please be sure to let me know if you have a preference whether they go to Canada, to Project Linus, or into our Community Service "treasure chest" to be used as needed.

Publicity – Charlene McHale

Angela Walters, a national figure in modern quilting, will be presenting a set of lectures and workshops in Albuquerque next March. She will also be talking about ideas for managing a long-arm quilting business.

Info on registration and contact info is in the attached flyer.

LECTURE: Quilting Efficiently. Thursday March 23, 2017 6:30pm-8:00pm. Time is money, especially when you quilt for a living. Thanks to years of quilting five (or more) quilts a week, Angela is an expert on using your time and resources efficiently to give both you and your customer the biggest bang for their buck, and she will show you how to create an organizational plan that will help you better manage your time without sacrificing an ounce of quality. Perfect for professional quilters, this lecture is also great for the self-quilter with more projects than hours in a day. *Member Price: \$25.00; Non-members \$30.00.*

LECTURE/TRUNK SHOW & DINNER: Machine Quilting for the Modern Quilter: Friday, March 24, 2017 6:30pm-9pm
 Enjoy a fabulous evening with Angela, with a lecture and trunk show presentation featuring Angela's wonderful quilts. Angela gives an exciting talk about her process, and how to push your skills to the next level. She will share enough to get you all motivated, then send you home on a creative buzz! Includes a light dinner. *Member Price: \$35.00; Non-members \$40.00.*

WORKSHOPS: Angela will teach three full days of hands-on classes, suitable for all skill levels from beginner to experienced quilter. Space is limited to 22 per day. Limited mid-arm and pre-loaded long-arm machines (provided by Handi Quilter) are available on a "first come" basis, or bring your own domestic machine. Each day's instruction stands alone, but there will be a progression to the material presented that we believe will provide a cumulative benefit to students who take all three days.

Member price for each workshop is \$90.00. Non-members \$110. Discounts apply for multiple days (see sign-up sheet on reverse)

Shape-by-Shape and Dot-to-Dot Quilting 6 hours-9:00am-4:00pm -Thursday, March 23, 2017. In this class Angela will show you how you can break most quilt blocks and spaces in your quilt into smaller, basic shapes, and how to use points on the quilt as a guide for quilting with minimal marking. Learn designs that work in all differently shaped blocks as well as other areas of a quilt, including borders and negative space, and how to recognize the "dots" on your quilt and how you can adapt them for you.

Little Changes, Big Variety and Beyond Feathers 6 hours-9:00am-4:00pm-Friday, March 24, 2017. In this workshop you learn how small changes to classic machine quilting designs can create completely new designs. You will be amazed at how many designs you will learn and how many different ways you can use them. Do you love quilting feathers but are looking for something new? Angela will also show you some new motifs for your quilts. Get ready to try out scrolls, vines and circles in your quilt borders, sashing and blocks.

Quilting the Modern Quilt, and Negative Space, 6 hours-9:00am-4:00pm -Saturday, March 25, 2017. Angela will demystify all of the daunting aspects of quilting for the modern quilt, including how to handle solid and unconventional fabrics, irregular shapes, and a special focus on negative space. Angela will also include techniques for changing up the scale of your design, how to divide your piece into smaller spaces, and tips for adapting these methods to other parts of your quilt.

You may cancel for a full refund through December 31, 2016. No refunds will be made for cancellation after that date.
